

# Ghetto Handbook!!!! Ebonics 101

Wucha dun did now?

# Ebonics:

Cambridge dictionary:  
a type of english spoken by  
some african americans.

Merriam-Webster:  
a blend of ebony and phonics:  
black english.

American Heritage:  
African American Vernacular  
English.

Urban Slang Dictionary:  
a version of English made of a  
varity of slang words.

With this guide you too can learn to speak ebonics as if you just came out of the hood. use what you learn wisely, because you could find you self with a problem one day and ebonics could save your life.
